DECLARATION BY APPLICANT (Tick as appropriate)

A. **I AM** the registered owner of the Exclusive Rights of Burial as recorded on the Deed of Grant and hereby apply for a memorial permit to be issued subject to the regulations of Studley Parish Council.

B. **I AM NOT** the registered owner of the Exclusive Rights of Burial as recorded on the Deed of Grant. I am a relative of the person buried in the grave but it is impractical for me to trace the rightful owner and I hereby apply for a memorial permit to be issued to place and maintain, or add an inscription on a memorial on the grave. I further declare that should the rightful owner be traced I agree to remove the memorial at my expense if requested.

I understand that I am responsible for the maintenance of the memorial and that the Parish Council may take any action they deem necessary should the memorial become unsafe or dilapidated. I also understand that the memorial may be removed temporarily to allow burials in adjacent graves of this grave.
